# INFINITY STREAM

# Cookies Policy

By using https://infinitystream.io/, you consent to the use of cookies in accordance with this policy.

A cookie is a small piece of data (consisting of text and numbers) that is downloaded to your device connected to the Internet (for example, to a personal computer, smartphone or tablet) every time you visit our website. It helps the site remember information about you. Cookies are used by the site in order to recognize your device, to store information about your preferences or previous actions, for example, the language you chose for the website.

For more information about the protection of personal information when using cookies and other data, see our privacy policy.

Please check out our ways of using cookies. You can ask us any questions you may have by contacting us in the "Help - Support Chat" window in your user account.

How **Infinity Stream** uses cookies?

**Infinity Stream** uses cookies in order to improve the functionality of the site, to ensure smooth transition between pages, to remember your choice for settings of the website. We also use cookies to analyze how visitors use our service and interact with the site.

**Infinity Stream** may collect information about users for other purposes without the consent of users in cases stipulated by law.

What types of cookies does **Infinity Stream** use:

**a.** Functional cookies

This type of cookie helps our website remember your settings, provide personalized features and recognize the platform from which the website accessed.

**b.** Necessary cookies

This type of cookie is essential for the site to function properly. They are used in cases such as logging in or filling out forms. Without these files, we will not be able to provide the requested services.

**c.** Analytical cookies

This type of cookie used to calculate the number of visitors of the site, as well as their sources. They help us collect information about how visitors use our site, on which pages they spend the most time, and on which pages they visit more often.

**d.** Advertising cookies

This type of cookie is used to measure the effectiveness of our advertising campaigns, as well as to understand whether the advertising is displayed correctly. In addition, they help us take into account your interests when displaying ads, helping us make them more relevant.

**e.** Other cookies

This type of cookie is hosted by other services. We do not control these cookies. You must check the relevant sites for information and control over this type of cookie.

How long does **Infinity Stream** keep cookies

We can use two types of cookies:

1.Session cookies are temporary cookies used for the duration of your visit to the site and then deleted after you close your browser.

2.Persistent cookies are used to remember your preferences on the site and remain on your computer or mobile device even after you close your browser or restart your computer. These files are stored on your device for a while or until manually deleted. This period depends on the specific cookie and your browser settings, they are stored throughout the time required to achieve the purpose of these cookies.

We use these cookies to analyze user behavior in order to determine the algorithm of visits to the site, which will allow us to improve the functionality of our site for you and other users visiting our site.

How can I manage cookies / delete cookies

Most browsers automatically allow cookies, and therefore, if you do not want to use them, you may need to take actions to delete or block cookies. By refusing to use cookies, you will still be able to visit our sites, however, some of the functions may not work properly.

Access to certain **Infinity Stream's** functionality is only possible with cookies enabled. Disabling such cookies may lead to the result that you will not be able use all the functions of the site.

Learn how to disable cookies in a web browser according to instructions from the developer:

**a.** Microsoft Internet Explorer

**b.** Mozilla Firefox
