

GDPR Privacy

Infinity Stream and its partner companies respect your privacy concerns. This privacy notice applies to personal data that we collect using portable software. It does not apply to data collected by other applications, websites or services, or its affiliates.

In this privacy notice, we describe the types of data collected, how we can use the data, how long we can store it, with whom we can share it, as well as options available to you regarding our use of the data and the exercise of your rights. We will also describe the measures we take to protect the data and tell you how to contact us about our privacy policy.

1. What Data Do We Collect?

Infinity Stream collects the following personal data about you:

The following types of personal data may be collected, stored and used:

- a.** information about your computer, including your IP address, geographic location, type and version of the browser, as well as the operating system;
- b.** information about your visits and use of this site, including the source of links, duration of visit, page views and how you navigate the site;
- c.** information, such as your email address, that you provide when registering on our website;
- d.** information that you provide when creating a profile on our website, for example, your name, profile photos, gender, birthday, relationship status, interests and hobbies, information about education and employment;
- e.** information, such as your name and email address, that you provide to set up a subscription to our emails and / or newsletters;
- f.** information that you provide when using the services on our website;
- g.** information that is generated when using our site, including when, how often and under what circumstances you use it;

- h.** information regarding everything that you buy, the services you use, or the transactions that you make through our website, including your name, address, phone number, email address, and credit card information;
- i.** information that you post on our website with the intention of publishing it on the Internet, which includes your username, profile photos and the content of your messages;
- j.** information contained in any messages that you send to us by email or through our website, including content and metadata;
- k.** any other personal data that you send to us.

Before disclosing to us the personal data of another person, you must obtain the consent of that person to both disclose and process this personal data in accordance with this Policy.

2. How Will We Use Your Data?

Infinity Stream collects data and the personal data collected is used to improve the services provided by **the Company**.

- a.** administration of our site and business;
- b.** personalization of our site for you;
- c.** providing you with the opportunity to use the services available on our website;
- d.** sending you goods purchased through our website;

- h.** sending email notifications that you specifically requested;
- i.** sending the newsletter by email if you have given your consent (you can unsubscribe at any time);
- j.** sending you marketing communications related to our business or the business of carefully selected third parties that, in our opinion, may be of interest to you, by mail or, if you specifically agree to this, by email or similar technology (you can inform us at any time if you no longer need marketing messages);
- k.** providing third parties with statistical information about our users (however, these third parties will not be able to identify any particular user from this information);
- l.** work with inquiries and complaints made by or about you related to our site;
- m.** ensuring the security of our site and preventing fraud;
- n.** verification of compliance with the terms and conditions governing the use of our website (including monitoring of personal messages sent through our website of the personal messaging service);
- o.** other purposes.

In order to conclude a contract, you must provide us with your personal data for processing, as described above. If you do not provide us with personal data, we will not be able to provide you with all the functions available via the site.

3. Exchange of Information

We do not disclose your personal data through our services, except for the cases described in this privacy notice. A limited number of members of the company's service group can access and otherwise process the personal data according to their job responsibilities or contractual obligations. We may share your personal data with our subsidiaries and affiliates, as well as with service providers. We do not allow our

service providers to use or disclose the data unless it is necessary to perform services on our behalf or to comply with legal requirements.

Infinity Stream and its affiliates, as well as our third-party service providers, may also disclose your personal data (a) if required by law or a lawsuit (for example, a court order or subpoena); (b) in response to requests from government agencies such as law enforcement agencies; (c) to establish, exercise or protect our legal rights; (d) when we consider the disclosure of information necessary or appropriate to prevent physical or other damage or financial loss; (e) in the case of an investigation of an alleged or actual illegal activity; (f) in the event of a sale or transfer of all or part of our business or assets (including in the event of a merger, acquisition, sale, transfer, reorganization, dissolution or liquidation); or (g) otherwise, with your separate consent.

4. Storing of Personal Data

Your personal data will be stored if the following conditions are met and will be immediately destroyed after reaching the purpose of use.

- During the entire period of service provision;
- If required for legal, contractual or statutory obligations;
- If required for collecting personal data or for contractual, applied or statistical purposes.

5. Your Rights

You have the right to request detailed information about the data we collect about you and require us to correct inaccuracies in this data, object to or request a processing restriction, request access, deletion or portability of your data. In accordance with the laws of some jurisdictions, we may refuse to process

unreasonably repetitive requests, require disproportionate technical efforts, jeopardize the privacy of others, are extremely impractical or for which access is not otherwise required by local law. If you would like to request access to your data, please contact us by visiting our privacy support page.

Infinity Stream will not use this data for commercial purposes. If you request the removal of your personal data, you acknowledge that you cannot access or use business services and that the residual personal data may remain in the records and archives of **Infinity Stream** for some time under applicable law, but **the Company** will not use this data for commercial purposes.

6. How Do We Protect Personal Information?

We maintain appropriate administrative, technical and physical safeguards designed to protect the personal data, which we collect through the services, from accidental, unlawful or unauthorized destruction, interference, loss, alteration, access, disclosure or use. **Infinity Stream** also carries out reasonable procedures that help ensure that such data is secure for its intended use and is accurate, complete and up to date.

7. Updates to Our Privacy Notice

This privacy notice may be occasionally updated to reflect changes in our practice of providing personal data regarding services, or changes in applicable law. We will post a notice on our website to notify you in advance of any significant changes to our privacy notice, and indicate when it was updated at the top of the notice.
